IN THE greatest pitchers' battle ever witnessed on the local diamond "Willie" Essick, the young collegian from Iowa, yesterday bested Hoon, the Butte "phenom," and captured a twelve-inning game for the Elders with a score of 2-1. In the entire twelve innings Essick did not allow a single batter to walk, he struck out an even half dozen and gave away but eight scattered hits during the twelve innings. His headwork was beautiful, and although his brother Elders committed four errors, the youth from Iowa never seemed particularly anxious to break any strike-out records, but put the sphere over the pan in such fashion that the batters could not get it beyond the infield.

Hoon, the speedy Butte amateur, who was recently signed by Walter Wilcox, also performed beautifully. He allowed but eight hits, struck out four men and walked but two. He had all-edged support, the Miners backing him up in perfect style throughout the long contest. Until the final inning Hoon had only given away five hits. Perhaps the long strain began to wear on him, for he weakened a trifle and the first three batters in the twelfth rapped for horseshoe safety, scoring the winning run.

The pitching of both men was of the "iron man" variety. Essick, the twirler, seemed particularly anxious to break any strike-out records, but put the sphere over the pan in such fashion that the batters could not get it beyond the infield.

Essick had the better control of the two men. Out of the forty-eight batters he faced him, not one received transportation to first base. Sometimes they got two balls, sometimes three, but the twirler never failed to clip the plate at the critical moment.

Shortstop's Good Work.
Ed Bravette, the Salt Lake shortstop, was a shining light. Second only to the pitchers, it was Bravette's first game for more than a week and he fielded like a demon. With his right hand in a bandage the Elder shortstop went after everything and "spear" several that looked as safe as Government bonds. He is charged with two errors, but these will be overlooked on account of his brilliant performance at other times.

First Run by Saints.
The Saints' first run came in the opening inning. Hansen walked out, pretty three batters and scored a moment later when Swindell permitted the ball to pass him. Then, after seven innings, the score-board showed nothing but blanks for the Saints.

In the twelfth, with the bleachers in a state of nervous prostration, "Pat" Glim hit safely to the right of second base. The 50 fans roared their approval. "Dad" Clark followed with another single in the same direction and before the ball had been returned "Glim" was at third, just one mile from home. The crowd jumped to its feet and yelled like mad.

"Warhorse" Hansen was next. Hansen swung once and missed. The next one went foul, but the third sailed safely over second base and home was won. Following is the score:

CITY TWIRLERS WILL MEET COUNTY TOSSERS

This afternoon at 2 o'clock the City Twirlers and County Tossers will cross bats on the diamond at Calder park. Interest in the outcome of the game is at white heat in all of the offices of the joint building. Both sides have been working hard in their practice games each day, and the weather permitting, the game should be a good one. The players of both teams are strong at the bat. It is said that there will be a keg of beer on hand to support every runner reaching that base will be entitled to refreshment. Deputy Sheriff Billie Edwards, shortstop for Tossers, has broken three sticks in practicing for three-base hits.

Manager Johnson of the City Twirlers created consternation in the opposition camp yesterday by announcing that W. J. Leary, clerk of the Police court, would base on the city team. From the fact that young Leary went to school with St. Young, the famous Eastern pitcher, his acquisition to the Twirlers' game was protested by the county aggregation. Manager J. V. Anderson of the County Tossers said yesterday that Leary was disqualified for the reason that he is not an employee in the city and county building, but the city players claim that Mr. Leary is a deputy of the City Wardens' office, which is in the joint building, and that he cannot be disqualified. This question, however, will be definitely settled this forenoon and there will be no wrangling on the ballfield.

Pittsburg, St. Louis's errors also helped. McFarland was hit on the head by a pitched ball in the fifth inning and was carried off the field unconscious. Attendance 600. Score:

BOISE ANGRY AT UMPIRE

Fans Declare He Was Color Blind.

Could See Nothing but Blue Uniforms on Diamond in Idaho Capital.

Result, Indians From Spokane Just Walked All Over the Fruit Pickers.

Special to The Tribune.
BOISE, Ida., June 17.—Gingerbread fielding, purblind umpiring and failure to find Hogg last today's game for Boise. While the Indians carried eleven times with McFarland, they were properly entitled to not more than one run. Houtz fell down on three chances in left, all of which cost runs. They were not easy chances, by any means, but fast fielding should have stopped at least two of them. Ward could see nothing but blue uniforms in the game and his work throughout was of a rich chrome color. His partiality to Spokane seemed to take all the heart out of the Fruit-pickers and their usual good fielding was not there. Hogg was at his best and pitched a swell game, McFarland had to cut the plate every time to get strikes, and get decidedly the worst of it when he tried to mix them up. Aside from his wretched judgment on balls and strikes, Ward called Weaver out at second in the first inning and set every body's teeth on edge. Weaver was entitled to a base on balls in the eighth, and Hanson in the second. Score:
Indians 100 000 000-10
Fruit-pickers 000 000 000-0
